

SUMMER AT WES TIMES

July 30 2010

Mind Your Own Business

By Alison Lennie

In *Mind Your Own Business (MYOB)* class, campers create a product and sell it. This session, the *MYOB* class decided to make Summer at WES stickers! Mix & Match campers seriously love *Mind Your Own Business*. “I like *Mind Your Own Business* because everybody’s ideas get accepted,” said Lindsay Keiser, age nine. The campers really do have a blast in *MYOB*! Mr. Fangboner, the *MYOB* teacher, said, “I like *Mind Your Own Business* because it gives kids the unique opportunity to run a business.” This extremely fun Mix & Match class is perfect for anyone who wants to be a businessman or businesswoman when he or she grows up!

Mix & Match Report

Swimming

By Deanna Adams

In *Swimming*, you go to the pool with Mr. Elkassem and your camp friends. Campers walk on the Capital Crescent Trail. It is about a quarter of a mile walk to the Bethesda pool. Campers in *Swimming* have to take a swimming test if they want to go in the deep end. Campers have a nice, long time to swim before they walk back to WES.

Game Time!

By Lindsay Keiser

In *Game Time!*, campers play fun games like Mexican Train Dominos, Go to the Head of the Class, Tripoley, Apples to Apples, The Settlers of Catan, Uno, Bocce Ball, Golf Toss, and many more! The teacher is the one and only Mr. Chalfin! Campers learn all of these games in periods one, two or three. All these games are extremely fun, especially with Mr. Chalfin around! Even if you don't like the game, I can guarantee you will have a ton of fun in *Game Time!*

Survey Says: Favorite Animal

By Alana Frankel

I surveyed twenty-one people for this poll. I think most people voted for penguin because they are cute and fluffy. There was a three-way tie for second place with

Turtle	4
Panda	3
Polar Bear	4
Penguin	6
Dog	4

turtle, polar bear, and dog each getting four votes. Panda was in third place. I think panda was in third place because they are always sleeping at the zoo and kids get disappointed when they go to see the pandas.

Survey Says: Favorite Song

By Lindsay Keiser

For the week of July 26, 2010, I interviewed thirty people about their fa-

vorite song. The most popular song was *California Gurls* by Katy Perry. *The Star Spangled Banner* came in second and *Airplanes* by B.o.B. came in third. To choose the songs for the poll, I looked at the most popular songs on iTunes. Thanks for voting!

Extended Day

By Alison Lennie

One of the highly convenient things about Summer at WES is the *Extended Day* program. In *Extended Day*, campers play games, occasionally watch movies, and have **lots** of fun. If your parents are busy at work or stuck in traffic, then go to *Extended Day* and be up to your shoulders in fun!

Oh No, Power Outage!

By Ella Hall

The big storm on Sunday caused lots of people to lose power. We campers were not lucky. We did not have camp for two whole days! I also did not have power for two whole days at my house. It was not fun! I had to go to Starbucks instead of camp. I am glad we got to go back to camp before the session was over!

Mysteries on the 4th Floor

By Theodore Kroeger

Have you ever wondered what is on the fourth floor? Well, we have the answer for you. All that is up on the fourth floor is broken tiles, messy walls and a door that leads to the roof. Mrs. Wahl, however, told us a big secret about the roof (...this is very secret). There is a swimming pool up on the fourth floor and a diving board for the teachers and counselors to use! We believe this is the reason why children are not allowed to go up to the fourth floor. So if you hear teachers or counselors laughing and yelling and there is no one in sight, well, they are probably on the fourth floor partying.
