

#WES DragonsRead Summer Reading

Try to read as many different books and score as many points as you can this summer as you complete the #DragonsRead Blokus!. Each block is worth a different number of points (yellow font=10 points, blue font=20 points, green font=30 points.) Shade a block once you have read at least one book in that category and try to complete the whole sheet. Keep track of which books you read and how many points you collect on the back of the sheet! You can read multiple books to increase your score. Questions? Contact Mr. Pané at ppane@w-e-s.org. Happy Reading Dragons!
